

How to See the Island in One Day
Winter
December 31, 2018 – March 29, 2019

The best way to tour the Island in one day is outlined below. Please be sure to set aside at least 8 hours in order to see everything without rushing. The following itinerary takes you from your arrival port of Vineyard Haven to Oak Bluffs and Edgartown, then rural Up-Island (West Tisbury, Chilmark, Aquinnah), and back down to Vineyard Haven.

Vineyard Haven Arrival: Take Route #13 to Oak Bluffs, which departs hourly at 50 minutes past the hour from 6:50am to 9:50pm. Please note the 6:50am departure does not run on Sundays or holiday from January 6th – March 24, 2019. Upon arriving at Ocean Park in Oak Bluffs you can disembark and enjoy Circuit Ave (the equivalent of a Main Street) with shops, ice cream parlors, restaurants, an arcade, and is home to America's oldest working carousel, the "Flying Horses". Please note that during the off-season many of the shops and restaurants are closed, as is the arcade and carousel. A short walk from Circuit Ave is the Martha's Vineyard Camp Meeting Association, consisting of hundreds of colorful Victorian gingerbread cottages; it's surely something the whole family will enjoy. If you do not wish to see Oak Bluffs now, you can stay on Route #13 and continue on to Edgartown.

Oak Bluffs to Edgartown: Take Route #13 to from Ocean Park to Church Street in Edgartown, which departs hourly at 2 minutes past the hour from 7:02am to 10:02pm. Please note the 7:02am departure does not run on Sundays or holiday from January 6th – March 24, 2019 In order to have enough time to get up-Island, the 12:02pm departure would be a good choice. Upon arrival at Church Street, it's a very short walk to Main Street which offers a variety of up-scale boutiques and restaurants, as well as the harbor. The Edgartown Lighthouse is about a ten minute walk from Church Street. Again, please be cautioned that many shops and restaurants are closed during the off-season.

From Edgartown to Up-Island: Take Route #6 from Church Street at 2:00pm or 3:30pm to the West Tisbury Town Hall. Transfer to the Route #5 for the Gay Head Cliffs and Lighthouse. Your arrival time would be 2:44pm or 4:1pm, respectively. This bus will depart the Cliffs to go back to West Tisbury at 2:48pm, 4:18pm and 5:48pm. There is nothing open at the Cliffs this time of year, so you may just want to enjoy the view for a few minutes and head back down-Island on the same bus you arrived on.

If you chose not to go up-Island, you can head back to Vineyard Haven via the Route #1 from Church Street.

Up-Island to Vineyard Haven: Get back on the Route #5 for West Tisbury - stay on this bus, as it will become the Route #3 for the Vineyard Haven Steamship Authority, (with the exception of the 5:48pm departure, which will require a transfer to Route #3). Main Street is a short walk from the bus stop, and offers dining and shopping. To check ferry schedules, go to www.steamshipauthority.com.

When visiting for the day, a One Day Pass for \$8.00 (\$5.00 for seniors 65+) is the most cost effective way to see the Island.
